Word Finder

Locate and strike through all words in the puzzle. Words can appear vertically, horizontally, or diagonally and in any direction.
Note that individual letters can be part of multiple words.

Crossword

Fill in the synonyms of the words in the list at their corresponding positions in the puzzle. Words only appear horizontally or vertically and in reading direction.

Nonogram

The objective is to fill the grid and reveal the hidden picture. Clues are provided along the edges of the grid, indicating the consecutive groups of black cells in each row and column.

Tic Tac Toe

Players take turns putting an 'X' or an 'O' mark in an empty square. The first player to get 3 of their marks in a row is the winner. When all squares are full and there is no winner, the game ends in a tie.
