Word Finder

Locate and strike through all words in the puzzle. Words may appear vertically, horizontally, or diagonally and in any direction. Note that letters may be part of multiple words.

Crossword

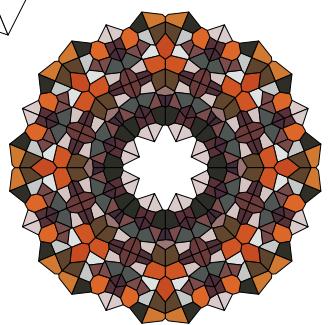

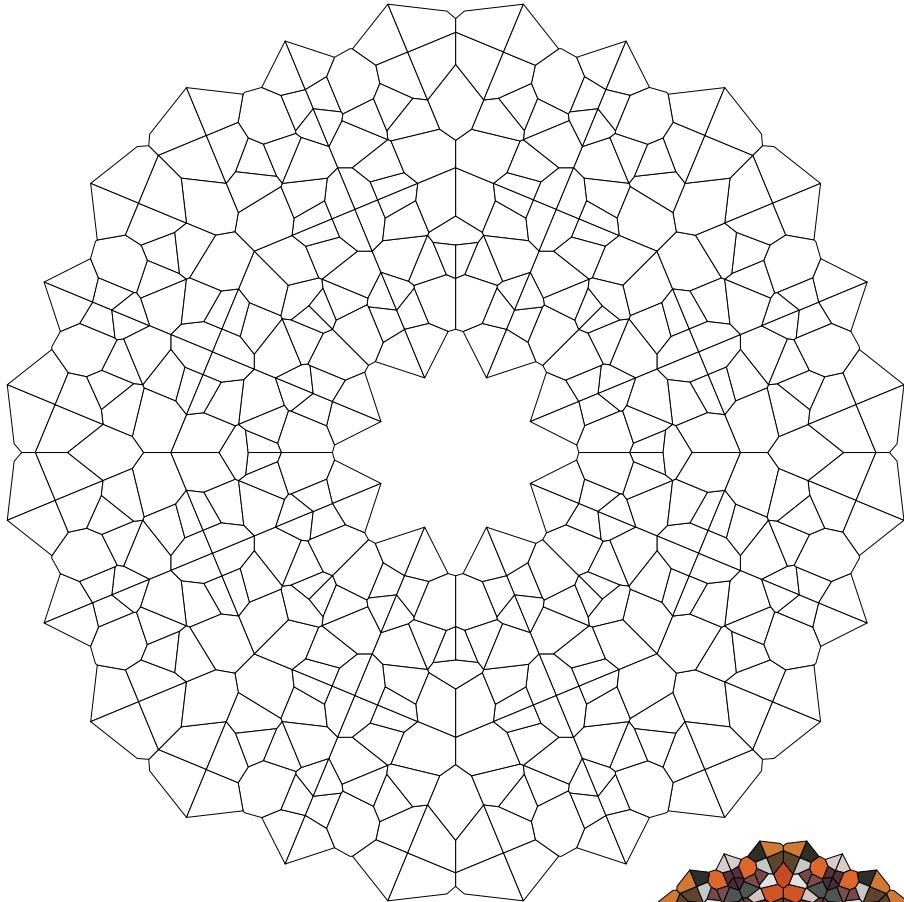

Fill in the synonyms of the words in the list at their corresponding positions in the puzzle. Words only appear horizontally or vertically and in reading direction.

Tic Tac Toe

Players take turns putting an 'X' or an 'O' mark in an empty square. The first player to get 3 of their marks in a row is the winner. When all squares are full and there is no winner, the game ends in a tie.
