## Word Finder

Locate and strike through all words in the puzzle. Words may appear vertically, horizontally, or diagonally. Note that letters can be part of multiple words.

## Crossword

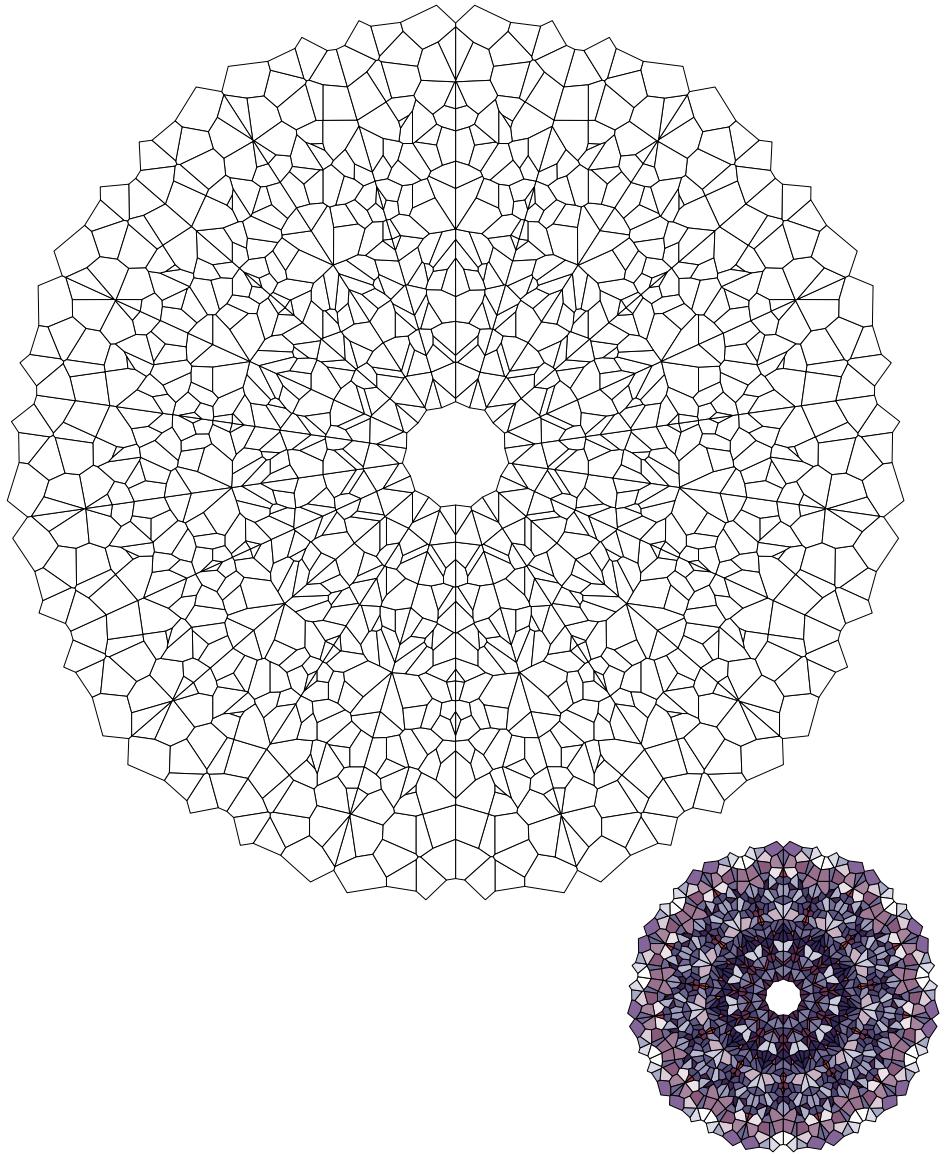

Fill in the synonyms of the words in the list at their corresponding positions in the puzzle.

## Tic Tac Toe

Players take turns putting an x or an o mark in an empty square. The first player to get 3 of their marks in a row is the winner. When all squares are full and there is no winner, the game ends in a tie.
